EXPERIENCE

Principal Consultant

Nicole Designs Data LLC

📅 01/2023 - Present 📍 Tampa, FL

- Data visualization development with Tableau, JavaScript/TypeScript (Observable Plot, d3.js, chart.js, Recharts), Python (Plotly, Seaborn), and AWS QuickSight
- Analytics strategy consulting
- Tableau Desktop and Tableau Cloud training
- Data governance initiatives
- Tech stack assessment

Data Visualization Engineer

Cart.com

📅 05/2022 - 01/2023 📍 Remote

- On an Agile engineering team, created new data visualizations from ideation, wireframing, prototyping, and testing to deployment in production, primarily in Tableau
- Collaborated on designs using Figma with the UX design team
- Updated existing visualizations to meet new technical requirements, design standards, or customer needs
- Supported Tableau Desktop and Tableau Server users across the organization
- Advocated the adoption of a data dictionary, the clear definition of metrics, and data quality and governance initiatives

Data Program Analyst

Olive AI

📅 05/2021 - 05/2022 📍 Remote

- Coordinated data management activities including mapping product-specific data, HL7, and X12 standardized healthcare data
- Co-led the data governance committee, made recommendations for management of new data and changes to our existing data contract
- Worked with complex nested data structures stored in Postgres and MySQL databases within a multi-cloud data architecture including AWS S3, Redshift, Databricks, and Fivetran
- Created and edited complex SQL queries
- Developed data visualization style guide and Tableau dashboard templates for use throughout the organization
- Data visualization, pharmacy, and 340B subject-matter expert

Data Curator/Project Coordinator

Idaho State University

📅 08/2020 - 09/2021 📍 Remote

- Collected, interpreted, and analyzed data for the ISU/CPESN Idaho COVID-19 Point-of-Care Testing Program
- Developed a JavaScript web application for secure collection of PHI for delivery to the state's public health districts
- Created program website
- Advised pharmacy owners regarding technology solutions for documentation of their care plans
- Calculated pharmacy payments and invoiced the university
- Curated all data, contributed approximately 35% of the writing and all data visualizations to the project manuscript

Developing sustainable workflows for community pharmacy-based SARS-CoV-2 testing

Journal of the American Pharmacists Association

Shanna O'Connor, Nicole Mark, Patricia Healey, Renee Robinson, Elaine Nguyen

📅 01/2022

🔗 [https://www.japha.org/article/S1544-3191\(21\)00353-8/abstract](https://www.japha.org/article/S1544-3191(21)00353-8/abstract)

EXPERIENCE

Data Analyst

Aspen RxHealth

📅 02/2019 - 06/2021 📍 Tampa, FL

- Created scheduled and ad-hoc reporting, data visualizations, and operational metrics dashboards with Tableau Desktop and AWS QuickSight
- Answered data-related questions posed by clinical, operations, and sales teams
- Gathered requirements from business stakeholders, documented decisions and actions in Jira
- Served on the Data Governance Committee, Measures and Specifications Subcommittee, and Data Dictionary Subcommittee

Data Analyst, Medicaid Pharmacy Programs & CMMI Innovations Grant

Community Care of North Carolina

📅 05/2016 - 04/2019 📍 Raleigh, NC

- Analyzed and reported CMMI Innovations Grant Project data
- Trained community pharmacy staff in North Carolina to use PHARMACeHOME software
- Provided technical support, answered documentation and payment-related questions, and assured CMS and CMMI Innovations Grant requirements were met
- Reviewed documentation submitted from pharmacies for quality
- Facilitated CPESN QA, QI, and Best Practices Work Group
- Served as Pharmacist eCare Plan (PeCP) subject matter expert
- Contributed to the manuscript Stages of Change: Moving Community Pharmacies From a Drug Dispensing to Population Health Management Model, published in Medical Care Research and Review, April 2019

Data Analyst

Mission Health

📅 01/2012 - 06/2012 📍 Asheville, NC

EDUCATION

Master of Science, Data Science

University of Colorado Boulder

📅 01/2023 - Present

Bachelor of Arts, English Communications and Technology

University of Maryland Baltimore County

📅 05/2006 📍 Baltimore, MD

- Bachelor of Arts, English Communications and Technology

Technical Diploma

Community College of Baltimore County

📅 05/2001 📍 Baltimore

- Pharmacy Technology
